Oakville Sophie Mule Publicity Award: *Banjo of Hunter's Lodge, Kim Rhind*

Banjo has a face book page which shows him doing various entertaining activities and he has a large number of followers. He publicises the charm and personality of mules with the various videos that have been taken of him by his owner Kim Rhind. There are videos of him playing with a big ball, playing with a cone, and doing other entertaining activities.

By having his Facebook page Kim is showing anyone who reads it, how intelligent and endearing mules can be, Banjo is doing a great deal to show people how intelligent and captivating mules are. Some of the videos have had over a million views!

Through his Facebook page Banjo is doing great publicity work for mules to the general public and by showing his intelligence, personality and beauty he is doing a lot to publicise the positive and delightful aspects of mules in New Zealand

North Island Publicity Award: *Flynn, Jenny Shorter*

Flynn is a 15 year old gelding owned by Jenny and Gerry Shorter in Rotorua.

This donkey was born on Jenny and Gerry's property whilst it was snowing, he grew into a hardy, lovely, gentle donkey. Over the years Flynn has been in the public eye, he has attended church, raising money for school galas, donkeys in need, taking children for rides, attended Christmas parades and educating young and old about donkeys. His last outing was at St Mary's School for Palm Sunday. He loves children and with his calm gentle nature has made an unforgettable memory and touched the hearts of young and elderly people of the community.

South Island Publicity Award: *Fernlea Travis, Pim Allen*

Travis is a lovely four and half year old chocolate brown donkey who lives with his donkey best friend Hoti at Chain Hill just out of Dunedin. His owner Dr Pim Allen purchased Travis three years ago so 15 year old Hoti wouldn't be alone.

Travis and Hoti have been promoting themselves to the wider community around Balclutha and Milton through the local newspaper "The Star" encouraging other donkey owners and their donkeys to meet each other and share experiences and activities together.

Travis travelled to some shows this season with Hoti where he displayed his perfect manners in the in hand and performance classes. Both donkeys attracted their fair share attention from the public.

Travis has quite a mischievous nature probably more to do with his age and he is lead into trouble by his friend Hoti who is older and wiser. When Pim is mucking out their paddock Travis likes to wait until the wheelbarrow is almost full and Pim has turned her back and he will tip it

over. Travis also managed escape the paddock one day to eat all the raspberries when Hoti opened the gate for him.

At a recent fun day held at Saddle Hill Travis along with Hoti learnt how to long rein in front of quite a few donkey owners. It was a first for both donkeys and showed how willing and trusting they both were to be worked by someone other than their owner. Travis did very well teaching the other owners how to long rein him. Being a novice himself he challenged a couple of the attendees by going the wrong direction but once they got sorted Travis carried on in his steady way.

I expect we will see more of this charming English donkey in the years to come along with Pim promoting donkeys.
