### **OAKVILLE SOPHIE MULE PUBLICITY AWARD**

#### **Zebe of Braywin, Robin Winter**

.Zebe has been to a number of events which showcase what mules can do as well as getting out into the public arena. She is trained to a high level of performance and demonstrates what a well-trained saddle mule can do; how well it can behave; and how pleasant it can be to ride.

Zebe of Braywin went to an Armistice Day Memorial Ceremony at Loburn to commemorate the wonderful contribution mules made to the Second World War. Ben Longwell from True West Horsemanship ran sessions showcasing mules at Equidays in Christchurch and he asked if he could use Zebe of Braywin to demonstrate what a well-trained mule can do. There was much public interest in his sessions with Zebe.

Zebe of Braywin goes on recreational rides and in doing so, demonstrate to those she meets, (and who often have not seen a mule before, or one being ridden), How a mule can go under saddle. She also goes for rides in her local forest and along the beach and river rides. Zebe of Braywin went to two shows this season competing in the showing and In Hand performance sections.

### **SOUTH ISLAND DONKEY PUBLICITY AWARD**

#### **Fidel of The Croft, Alison Holcroft.**

Fidel is a lovely 18 year old white donkey owned by Alison Holcroft. Originally Fidel was used for donkey rides at a Wildlife Park. He was overused there and got to the point where he disliked children so was sold on. A friend of Alison's bought him but had nowhere to keep him so gave him to Alison. It took Alison a long time to rehabilitate Fidel, now he loves children again.

Fidel has been on the television programme *Fanimals* and has taken part in the Christmas Eve Service at the All Saints Church in Merivale. Fidel was the star of the show at both events. He also went to church for the Saint Francis day blessing of the animals. He has given rides at church on another occasion. Fidel has had his photo in the local paper showing him being ridden. Fidel has done an outstanding job in raising the public profile of the humble donkey

## **NORTH ISLAND PUBLICITY AWARD**

### **Clovercrest Panache, Peter & Marion van Dijk**

Clovercrest Panache has been involved in a lot of events and activities that showcase donkeys to the public in various ways, as well as giving a lot back to the community. Panache is owned by Peter and Marion van Dijk who also bred her.

Clovercrest Panache welcomes groups of elderly or disabled people who visit her home on a regular basis. The visitors have close contact with Panache who interacts with them. This is very therapeutic for the visitors. Panache also visits the Palms Rest Home and Hospital for their Christmas celebrations every year.

In November Panache welcomed 80 people from the Model A club on their car rally and circulated amongst the visitors. Panache also took part in the Pukekohe Christmas parade in harness pulling a cart.

In April and October Panache went on donkey walks in a park and on Waiwera Beach. Panache also did a donkey display at the Pukekohe A&P show in February. There was huge public interest in her. She has done outreach, social and public activities showcasing donkeys in a really positive way over many years.
